

# Cerritos High School MUN

June 26-June 30, 2017

## Are you starting up your MUN career this fall?

Is your son or daughter signed up for Model UN in the Fall or do they have a desire to learn more about what this program is all about? Cerritos High School MUN is excited to announce that it will be hosting an introductory program this summer, and you are invited!

**Model United Nations** is a worldwide program where students assume the roles of ambassadors from all around the world. As delegates, you will make speeches, negotiate with other countries, and write resolutions to solve some of the most difficult international issues.

Skills we will work on this summer include the following:

- gain confidence in public speaking
- learn better negotiation techniques
- improve your research and writing skills
- have a great time with fellow students, Model UN instructors, and student mentors from the CHS MUN team

This year's summer introductory program will be held at Cerritos High School from June

26th-June 30th from 8:30AM to 10:30AM, Monday through Friday. This course is designed for students who will be participating in Model UN in the Fall semester but will be open to all who are interested.

There is a suggested \$60 donation payable to Cerritos High School Model United Nations. **There are a limited number of spaces for this program.**

## Get a head start this summer with CHS MUN.

Please fill out the following information packet and return it to Cerritos High School Attn: Bill Mustard. 12500 E. 183rd Street.

Cerritos, CA 90703. For more information please email Bill Mustard at [bill.mustard@abcusd.us](mailto:bill.mustard@abcusd.us) or 562 926 5566 ext. 21965.
