To the Parents of the MUN Program,

On behalf of all the advisors of the Model United Nations (MUN) program at Cerritos High School, I would like to welcome you back to school! It looks to be like another exciting year this year, as plans are preparations are already being made for our first conference on October 1st!

Each year, we hold our annual MUN Parent Night to take care of the logistical aspect of the MUN program. On this night, you will be signing a field trip for to allow your son or daughter to travel to all of the conferences throughout the year. On that form, you will be required to provide any necessary medical information that may be needed while on a trip, as well as providing your health insurance information. If you do not have health insurance, you will be able to purchase health insurance at the meeting. Please arrive with the proper paperwork (health insurance information). We will also be collecting the MUN annual donation of \$60 which be used to pay for miscellaneous costs of the program including the first conference. If you are planning to pay by check, the check is payable to Cerritos Model United Nations.

In addition, we will be selling scrip, which is the MUN program fundraiser that runs throughout the year. On most first and third Wednesdays of each month, we will be selling scrip in the MUN room (504) from 6:00pm to 7:00pm. (Please check the schedule on our website for changes/cancellations). You may also preorder your scrip and have your son or daughter pick up your scrip order at school. Each students will have an individual account setup and you can accumulate credit that will go directly back to your student in the form of credit they may use for conference fees throughout the year. By purchasing an average of \$100 per month or \$1000 per year, you will qualify for scrip pricing for some of the travel conferences including the east coast conferences.

MUN Night Schedule (504)

6:00pm – 7:30pm	Student Registration (All Grades)
6:30pm – 7:00pm	New Parent Orientation (Brewer Center)

**** If necessary meetings will be available in Chinese/Korean.**

Thank you again for all of your support for our program and we look forward to another successful year for our MUN program.

Sincerely,

Jason Watanabe, Advisor
