

## Economics

Mr. Jason Watanabe

Key Terms and Sections Review Questions

(40 points)

Following the instructions on formatting your paper to answer the Study Review Questions and also to define the Key Terms at the end of each section of the assigned chapter. Please follow the format exactly!! Please remain quiet during work periods – **THIS IS ALWAYS AN INDIVIDUAL ASSIGNMENT**, thus do not let others copy your work. If you complete the assignment during the period, please take out homework from another class, however, do not do so until the assignment is complete. Critical Thinking sections are not required!

Please include the correct heading in the upper right hand corner of each page including your name, Economics, the period, and the due date of the assignment.

**Your Name**  
**Economics**  
**Period 4**  
**Date**

The title should include the chapter number, the title of the unit and the assignment.

### **Chapter 8 – Supply & Demand** Key Terms and Study Review Questions

#### **SECTION 1 – PAGE #**

##### DEFINE

1. Vocabulary Word #1 – Definition.
2. Vocabulary Word #2 – Definition.

At the beginning of each section, please denote the section and the page the questions are listed.

After the section, write “**DEFINE**.” Use this area to define key terms. You must number the words, list the word, then include a complete definition of the word.

##### REVIEWING OBJECTIVES (TITLE OF SECTION)

1. What does the ...?  
A. Answer in a complete sentence(s).
2. What is the .... ?  
A. Answer in a complete sentence(s).

When writing review study questions, begin with the title such as “**REVIEWING OBJECTIVES**.” You must write out each question. On the next line, you must write the letter “A” for answer, and then write a complete sentence for your answer unless you are instructed otherwise.

Please be sure that your assignments follow the guidelines exactly! Also, be sure that your work is legible. **NO TYPED WORK** is allowed. Also, the copying of homework, including assignments such as this, is still considered cheating. Please do not risk greater consequences if you forget to complete your assignment.

*“Quality is never an accident;  
it is always the result of high intention,  
sincere effort, intelligent direction and skillful execution.  
It represents the wise choice of many alternatives.”*
